A Welcome Message from the Principal

Dear Parents and Guardians,

What a remarkable term! From energetic sports fields to cultural trails, dance stages to adventure-packed school trips. Our learners have truly embodied what it means to learn, lead, and live fully. We are filled with immense pride and gratitude for the milestones we've achieved together.

We are particularly thankful to you, our parents, for your continued support, trust, and partnership in shaping a truly holistic learning experience. Your encouragement allows us to nurture not just the minds, but also the character, creativity, and confidence of every learner at RSA.

With gratitude,

**Principal,
Kennedy Arogo**

School Trips

Learning Beyond the Classroom

Earlier this month, our stage 5-6 and stage 7-8 learners embarked on a 4-day educational tour to three incredible Kenyan destinations: Mt. Kenya Region, Nanyuki, and Samburu.

Learners hiked scenic trails, encountered rhinos at Ol Pejeta Conservancy, and immersed themselves in Samburu culture, dancing and connecting with the community in a rich cultural exchange.

Stage 5-6

School Trips

Learning Beyond the Classroom

Stage 7-8 had an even more adrenaline-filled experience as they explored Sagana, engaged in fishing, and enjoyed hiking and zip-lining in the majestic Mt. Kenya landscape.

It was a beautiful blend of classroom knowledge, nature, culture, and adventure.

Stage 7-8

RSA Junior School & Cambridge Sports Day:

Spirit in Action

This terms Junior and Cambridge Secondary Sports Day was a vibrant display of energy, house spirit, and talent. From sprints to relays and team games, every student showed courage, sportsmanship, and healthy competition. We are grateful to the parents who joined us, cheered loudly, and reminded us what it means to celebrate effort, not just victory.
