Message From the

Head of Kindergarten

A Journey to Remember

As we bring this wonderful year to a close, my heart is full of gratitude and joy. What a journey it has been, one filled with laughter, learning, and so many unforgettable moments. Our children have grown in ways that words can hardly capture: a little taller, a little bolder, and a lot more curious about the world around them.

To our teachers, thank you for bringing patience, joy, and magic into every moment. To our parents, your trust and partnership have been the foundation of every success. Together, we have made this year extraordinary.

With gratitude,

Head Of Kindergarten
Faith Machuri

Moments That Made Us Smile

This year reminded us that Kindergarten is more than a place, it's where learner's experience enjoyable moments that last in their thoughts. From the tender hugs during Mother's Day to the proud grins on Father's Day, we've witnessed the power of family and community in shaping each child's confidence. Thank you, Parents/Guardians, for showing up, cheering on, and standing with us every step of the way. Your Love gives our children wings.

2

Sports Day

Champions in the Making

Our Sports Day was filled with cheers, laughter, and a beautiful mix of effort and excitement that only our children can bring. Watching our Children race, jump, and celebrate each other's victories reminded us that enjoying the experience and not competition is what truly matters.

A big-Thank you to our teachers for making the day so special, and to our parents for cheering, clapping, and celebrating every small victory. You showed our learners that effort matters more than medals, and joy is found in participation.

Culture Day & Career Day

Celebrating Our Roots & Ambitions

Culture and Career Day was a beautiful celebration of identity and imagination. Our Children proudly dressed in traditional attire, sharing songs and dances. The same spirit of wonder carried into Career Day, as they stepped into the shoes of doctors, pilots, chefs, and explorers, dreaming about who they want to become.

These moments reminded us that understanding where we come from gives us the courage to imagine where we can go. Thank you, teachers, for your creativity, and parents, for helping your children shine so brightly.

Character Dress-Up Day

Imagination Comes Alive

The day our classrooms transformed into a storybook was pure magic! From The Lion King to Snow White and Dora the Explorer, our little storytellers brought their favorite characters to life with joy and confidence! Thank you, parents and teachers, for turning imagination into a living lesson, one that our children will never forget.

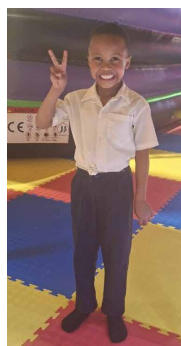

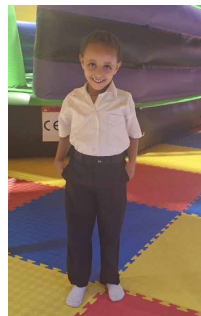

Learning in Real Life

The Shopping Experience

Our shopping trip to Prestige Plaza was an exciting highlight, a hands-on adventure where learning met real life. From counting coins to choosing wisely, our little shoppers showed independence and joy in every step.

These are the moments where lessons leap off the page, and where confidence truly grows. Thank you for trusting us to guide these learning journeys beyond the classroom.

Celebrating Our PP2 Graduates

To our wonderful PP2 graduates, congratulations.

You've made us so proud with your curiosity, kindness, and courage. As you step into Primary School, carry forward the lessons, friendships, and happy memories that have shaped your time here.

To our teachers, your dedication and care have made this journey full of grace. To our parents, your love and encouragement have given every step meaning.

Wishing You a Restful Holiday & Merry Christmas

As we close the year, we wish you a Merry Christmas and a bright, joy-filled New Year ahead.

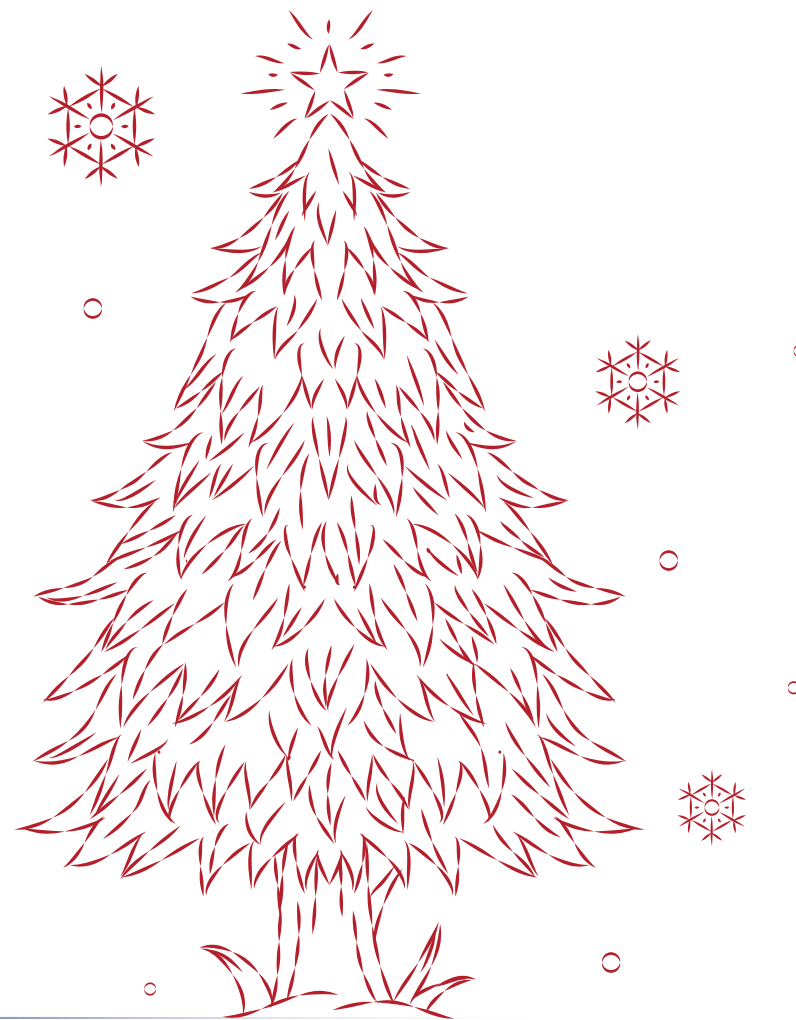

May the season bring peace, laughter, and love to all and may our little stars return refreshed, joyful, and ready for their next milestone in 2026.

With Love and Gratitude,

Ms. Faith Machuri
Head of Kindergarten
